## EXPERIENCE

### Brainovision Solutions, Hyderabad — Data Science Intern

MAY 2023 - JUNE 2023

Developed and implemented machine learning models using Python, Tensorflow to solve real-world problems in various domains.

### Exposys Data Labs, Hyderabad — Research Intern

JUNE 2024 - JULY 2024

Conducted pioneering research in Supervised Machine Learning and proficiently trained PyTorch models executing evaluations employing a supervised loss function.

## EDUCATION

- ❖ B.Tech in Data Science | Geethanjali College Of Engineering and Technology (2025)  
CGPA: 8.0
- ❖ Intermediate (TSBIE) | Excellencia Junior College (2021)  
Percentage: 96%
- ❖ X (CBSE) | Unicent School (2019)  
Percentage: 94%

## PROJECTS

### Blockchain Based E-Voting System-PyCrypto, Django

Developed a secure and transparent platform for conducting elections. Votes are recorded as immutable transactions on a distributed ledger, ensuring tamper-proof and verifiable results.

### Online Examination System Using AI-Sklearn, Flask

It monitors candidates in real-time, detecting anomalies. Automated proctoring eliminates the need for in-person invigilation while maintaining exam integrity.

### Fashion Recommendation from Social Media- Scrapy

Developed a project using CNN classifier and reverse image search to give recommendations of fashion based products.

## SKILLS

**Languages:** Java, Python, CSS, JavaScript, R

**Mathematics:** Probability, Statistics

**DBMS:** SQL, Django

**Development Tools:** VS Code, PyCharm, Anaconda, AWS

**Modules:** PyCrypto, Scrapy, Keras, Sklearn, Flask

**Version Control:** Git, Jira

**APIs:** REST, Fast

**Other:** Microsoft Office, Power BI, Google Suite

## LEADERSHIP

### Secretary | Data Science Club

Organized hackathons and conducted sessions for students on various Data Science topics. The Biz Tech Summit, a fusion of entrepreneurial and technical concepts, was a resounding success.

## ACHIEVEMENTS

- Introduction to Data Science | Infosys
- Networking essentials and Introduction to Networks | Cisco
- Artificial Intelligence with ML | Oracle
